

Index to *The History of Westminster Presbyterian Church, 1853–1978*

This name index was created by the staff of the Special Collections Department to enable a search for names in this church history. The 163 name entries are listed alphabetically by surname, then given name. These are followed by five entries of buildings and group photos of people not individually identified.

Please note: Each time the Westminster Presbyterian Church changed location the name of the church changed. Initially (1843), the congregation was known as Westminster Church. On November 30, 1853 it merged with and became the Pine Street Church. On April 6, 1884 it became the Grand Avenue Church. On May 4, 1914 it returned to its original name and became Westminster Presbyterian Church. Finally, on November 26, 1915, the church merged with Trinity Presbyterian Church but kept the name Westminster Presbyterian Church.
