YIZKOR BOOKS

Yizkor (Memorial) Books were created by groups of Holocaust survivors to commemorate the vanished communities where they had lived. Yizkor books usually follow a general format and include photos, maps, and memoirs of families, businesses and organizations. They also may include a necrology, a list of the Jews of the town who were killed in the Holocaust.

A list of Yizkor Books available in the Special Collections Department is on the Library's website at:

<http://www.slcl.org/branches/hq/sc/sc-yizkor.htm>

Yizkor Books are mostly written in Hebrew and Yiddish. English translations of many of them are available at the JewishGenWeb website at:

<http://www.jewishgen.org/yizkor/database.html>

New York Public Library has digitized images of 650 Yizkor books on its website at:

Inquire at the Special Collections Reference Desk for more information or if you would like to view the Yizkor books.
