## St. Louis Enlistees for the Year 1855 Extracted from *Registers of Enlistments in the U.S. Army, 1798-1914*

This name index was created by the staff of the Special Collections Department to enable a search for enlistees with a St. Louis connection in the 1855 record of Registers of Enlistments in the U.S. Army, 1798-1914. The 700+ entries are listed alphabetically by surname, then given name. The microfilm set is available in Special Collections. The [microfilm cabinet and shelf location list](#) for Special Collections will tell its specific location.

**Source of Extracted Information:** *Registers of Enlistments in the U.S. Army, 1798-1914*. Microfilm publication M233. 81 rolls. Washington, D.C.: National Archives, 1956. Roll 25. [Special Collections owns rolls 25-81 of this microfilms set.]

### Criteria for Inclusion

The information in this microfilm set was compiled from enlistment papers, muster rolls of the Regular Army, and other sources. The names included in the extracted set below include *ONLY* enlistees who were either born in St. Louis, Mo., or who enlisted at St. Louis or at Jefferson Barracks (shown as "Jeff Bks" in the chart below) which is located in St. Louis County.

Keep in mind the difference between the Regular Army and the Volunteer Army. When a man enlisted in the Regular Army, he served continuously for his enlistment period whether the country was at war or not. A Volunteer Army was raised only in time of war.

### What the Records Tell

A significant number of men who enlisted in the Regular Army were immigrants. In many cases, when an immigrant enlistee gave his place of birth - he gave the name of the town or village in his home country where he was born. Headings on the enlistment forms include the following:

- Name
- Where born - town, county or province, state; Empire or Kingdom
- Age in years
- Trade or Occupation
- Enlistment information - when, where (town and state); by whom; period of years
- Description - eyes, hair, complexion, height, feet, inches
- Regiment and company
- Discharge - date of, cause of
- Died [if death occurred while in the military]
- Deserted (if applicable)
- Apprehended (if applicable)
- Number of enlistments, company and regiment last served in
- Remarks

Images are available on the Special Collections Web site showing examples of the [left hand page](#) and the [right hand page](#) of the enlistment register because a man's entry will run across both pages. [Photocopies](#) of material listed in this index may be requested from Special Collections.
