St. Louis County Library is a vital community resource, supporting literacy and partnering with other organizations to support and enrich our community. In addition to books and other library materials, we offer free programs and services including computer classes, GED and job help, ESL classes, movie nights, book clubs, craft groups and so much more.

## The Year Ahead

- + **Your Library Renewed**—Two new library buildings and four renovated branches were recently completed. In 2016, an additional eight branches will undergo upgrades. Full details on the construction projects are available at [www.slcl.org/your-library-renewed](http://www.slcl.org/your-library-renewed)
- + **Partnerships**—SLCL joined forces with the Parkway, Jennings and Hancock School Districts to make sure every student receives a library card. In 2015, over 14,000 library cards were distributed to area students. The program will expand to at least two additional school districts in 2016.
- + **Early literacy**—In 2016, SLCL will launch 1,000 Books Before Kindergarten. This new initiative promotes reading to newborns, infants and toddlers. It also encourages parent/child bonding through reading. Participants will receive prizes and other incentives along the way.
