(118,620 items)

St. Louis County Library is a vital community resource, supporting literacy and partnering with other organizations to support and enrich our community. In addition to books and other library materials, we offer free programs and services including computer classes, small business assistance, job help, story times, STEM programming, summer and winter reading clubs, individualized help and so much more.

## The Year Ahead

+ **Your Library Renewed**—SLCL is mid-way through a multi-million dollar capital improvement campaign to renovate or replace 19 branches within the Library District. To date, 14 new or renovated branches have been completed. Details about the projects can be found at [www.slcl.org/your-library-renewed](http://www.slcl.org/your-library-renewed).

+ **Resources for Adult Learners**—Adult learners age 25 and older now have a second chance to earn a high school diploma, along with a career certificate through the Career Online High School program, opening the door to new job opportunities. Learn more at [www.slcl.org/cohs](http://www.slcl.org/cohs).

+ **Keeping the Region Connected**—SLCL is helping close the digital divide in the St. Louis region by offering innovative technology like mobile hotspots for checkout and Chromebooks for use by patrons inside the library. We're also preparing the next generation of technology leaders by offering programs such as Coding 101 for kids and teens.
