The past year has been a time of adjusting, adapting and transforming Library service to the community. We are incredibly proud of our work supporting the region during the COVID-19 pandemic, and we look forward to the return of more traditional library services in 2022.

+ **Expanding Access**—in 2022, St. Louis County Library will launch a shared catalog with St. Louis Public Library. The new catalog will allow patrons from both library systems to access nearly 5 million items, making library materials more convenient and accessible for both St. Louis County and City residents to check out.

+ **Your Library Renewed**—the multi-year campaign to renovate or replace 19 branches within the Library District is nearing completion. In 2022, construction will begin on the replacement of the Headquarters building in Ladue and the new Lynn Beckwith Administrative Building will open.

+ **75th Anniversary**—St. Louis County Library is celebrating 75 years of service in 2022. We’ll be marking this important milestone throughout the year with special programs and events. Over the years, SLCL has become a vital community resource, supporting literacy and partnering with other organizations to support and enrich our region.
