2022 was a historic year for St. Louis County Library. We celebrated our 75th anniversary, and received several prestigious awards—including the National Medal for Library Service and the Missouri Library of the Year. Other milestones included merging catalogs with St. Louis Public Library, introducing free notary services at all SLCL locations, starting construction on the new Clark Family Branch (replacing the old Headquarters building), hosting the 43rd Annual St. Louis Storytelling Festival, and celebrating our 100th graduate from the Adult Excel High School program.

2023 will see the introduction of social workers at five SLCL branches, as well as new items for check out such as pickleball equipment, more hotspots and telescopes, blood pressure kits, and other new programs and initiatives.
