

# German Churches in St. Louis

Scott Holl, Manager, St. Louis County Library History & Genealogy Department  
St. Louis County Library Sachs Branch  
Dec. 19, 2017

## PDFs for download

The following documents can be downloaded at <https://www.slcl.org/content/german-churches-st-louis>

- Timeline of German Churches in St. Louis, 1766–1900
- Historical Timeline of German Congregations in St. Louis City and County, 1677–1900, by Denomination
- German Churches in St. Louis--Bibliography
- Guide to German Evangelical Congregations Related to the United Church of Christ in St. Louis City and County (with information about SLCL microfilm holdings)
- Guide to St. Louis Catholic Archdiocesan Parish Records (with information about SLCL microfilm holdings)
- “Origins of the United Church of Christ” chart

## Church records in the History & Genealogy Department

- German Protestant Churches originating in the German Evangelical Synod of North America—Primarily for Missouri and Southern Illinois
- Lutheran Church—Missouri Synod
- Parishes in the Catholic Archdiocese of St. Louis

## Church histories

Catholic parish jubilee histories are available on microfilm. Histories for many Catholic and Protestant churches are also available in the print collection.
