- In-person & online

#### Survey

- Community members
- Online only
- 500 participants in analyses
- 1600+ total responses

Themes

## **INTERVIEWS**

#### **Interview Themes**

- SLCL offers a wide variety of programming/services/resources to the community
- SLCL has clear priorities and values regarding diversity equity and inclusion
- SLCL partners with organizations to create programs and services that meet the various needs of the community
- SLCL provides a diversity of library materials
- SLCL has experienced challenges in hiring and has taken steps to address them

### Themes

# **FOCUS GROUPS**

# **Focus Group Themes**

- Community is aware of the Library's general commitment to DEI but not the specific aspects of this focus
- There are a wide range of available materials, programming, and events offered to the community
- Staff is very welcoming

**Helping Clients Build** 

etter

- People feel like the Library is inclusive and welcoming to all
- Diversity in hiring is important to the community
- Communication of programs and events is effective but there is a desire for supplemental and alternative approaches
- Participants indicated that the St. Louis County Library is one of the best systems in the country

Results

# **COMMUNITY SURVEY**

### **Key Findings**

- Responses illustrated the staff's friendliness, helpfulness, and knowledge when interacting with patrons of the Library
- Many participants indicated that they wanted the staff to represent the community being served
- Race/ethnicity breakouts showed relatively consistent patterns among the various groups
  - Example: White and individuals who did not indicate their race/ethnicity responded less favorably to increasing community outreach services and diversity in programming than other racial groups
  - Highlights pressure points & resistance in some of the community

8

### **Qualitative Themes**

H C H Hicks-Carter-Hicks, LLC

- Continue to ensure diversity of the staff
- Desire for periodic forums where members of the community can provide feedback
- Increase programming, events, and materials targeted to communities that have been minoritized
- Partner with organizations that can further promote DEI
- Library does a great job of providing services and programming that meet the needs of the community

Helping Clients Build Better Workplaces<sup>™</sup>

# RECOMMENDATIONS

11

Recommendations

- Clearly communicate and connect the Library's priorities and values regarding DEI and how these are achieved through the Library's offerings
- Continue to maintain partnerships with community organizations and groups that represent minoritized groups or focus on DEI in St. Louis
- 3. Continue to provide methods for patrons to voice their opinions
- Continue to amplify minoritized and underrepresented cultures, groups, and voices in programming, events, and materials
