

NOVEMBER SPECIAL ELECTION 11/7/2023

This will be a small election involving just 30 polling places throughout the county. We will not be using every polling place we normally use as turnout is predicted to be lower than in an April Election.

The Board of Elections office is available during business hours for casting or returning absentee ballots beginning September 26. One absentee satellite site, Daniel Boone Branch Library (300 Clarkson Rd, Ellisville, MO 63011), will also be available on Saturday, November 4 (9 a.m. to 1 p.m.) and Monday, November 6 (8 a.m. to 5 p.m.).
