BOARD OF TRUSTEES
ST. LOUIS COUNTY LIBRARY DISTRICT

REQUEST FOR PROPOSAL
FOR MANUFACTURING SERVICES FOR MOBILE OUTREACH VEHICLES

AMENDMENT # 1

AMENDMENT #1 ISSUE DATE: November 14, 2022

IMPORTANT NOTE:

St. Louis County Library District has changed the scope of this RFP by adding one additional vehicle to the project. Proposers should now be submitting a proposal for three (3) identical vehicles.

1.1.1 “The intent of this specification is to describe the construction of three (3) 34-foot (approximate) long front-engine forward control cab chassis style trucks into Mobile Outreach Vehicles (“Vehicles”) for use by the St. Louis County Library District. The units shall be built on a 25,900 lb. GVWR (approximate) chassis for adequate support of the van body, conversion, and diversified collection of approximately 3,000 items.”

The following questions have been asked concerning the Board of Trustees of the St. Louis County Library District’s Request for Proposal for Manufacturing Services for Mobile Outreach Vehicles, dated November 4, 2022 (the “RFP”):

1. There is not a crawl through or walk through from the cab to the body. Is that correct? This is an available option for either.

   There is no crawl or walk through desired for either vehicle.

2. Are they [the vehicles] identical?

   Yes.

3. Option 4.5 indicates a 6kw option for hybrid upgrade but the generator is an 8kw. The Odyne option comes in a 12kw that would be sufficient power source versus the 6kw would not be. Should we quote the 12kw system as the option?

   Please provide a quote for the second 6Kw Odyne module.
4. The drawing shows two workstations, front seated workstation with chair and strap and rear standing workstation. They are not in specifications. Should this be included in the pricing?

Please include them in your proposal.

5. The drawing shows a rear closet streetside next to the lift. This is not in the specifications. Should this be included in the pricing?

Please include this with your proposal.

Pursuant to the terms of the RFP, all terms and conditions of the RFP, which are not hereby modified, remain unchanged. Each responder shall acknowledge receipt of this Amendment #1 by signing below and returning the Amendment #1. This acknowledgement must be received by the Library by the time specified for receipt of responses (December 8, 2022 at 2:00 p.m. C.D.T.), emailed to the following:

Eric Button, Deputy Director
