BACKGROUND

The Library District is a political subdivision of the State of Missouri. The Board of Trustees (“Board of Trustees”) of the Library District is a body corporate with all the powers and rights of like or similar corporations serving more than 870,000 Library District residents. All management and control of the Library District is vested in a Board of Trustees consisting of five Trustees appointed by the County Executive of St. Louis County, Missouri. The Trustees serve staggered four-year terms.

The Board of Trustees appoints a qualified librarian who holds that office at the Board of Trustees’ pleasure as the chief executive and administrative officer (“Director”) of the Library District.

The Board of Trustees has the power to purchase grounds, erect appropriate buildings and improve existing buildings for the use of the Library District and its branches out of funds available or through the issuance of bonds or otherwise.

GENERAL REQUIREMENTS

The Project is subject to all applicable laws of the State of Missouri governing the Library District including but not limited to the following:

- Missouri law prohibits all employers from employing aliens unlawfully present in the United States to perform work within the State of Missouri, including the Project and bidders must comply with the provisions relating thereto in Section 285.530 RSMo, as amended.

- Every transient employer must comply with Sections 285.230 through 285.234 RSMo, as amended, when applicable.

- Pursuant to Sections 34.070 and 34.073, the Library District prefers to purchase those materials, products and supplies which are produced, manufactured, compounded, made or grown, within the State of Missouri when they are found in marketable quantities and are a quality suited to the purpose intended, and can be secured without additional cost over out-of-state products. Quality and fitness of articles will be considered in making purchases or letting contracts. Similarly, in letting contracts for the performance of any job or services, the Library District prefers Missouri firms, corporations or individuals, or firms, corporations or individuals which maintain Missouri offices, when the quality of performance promised is equal and the price quoted is the same or less.

Applicable insurance coverage must be provided by the successful bidder before any work can be started on the Project.

The Library District will make every effort to target and utilize Minority/Women Business Enterprises (MBE/WBE) by using the Missouri Minority/Women Business Enterprise Program Directory as a source of identification of potential bidders. The Library District Policy provides that MBE/WBEs must be
certified by the Office of Equal Opportunity (OEO), State of Missouri, and that such entities will be provided an equitable and fair opportunity to submit bids and proposals.

These general requirements, this Invitation to Bid, the Bid and the specifications, drawings, schedules and instructions of the Project shall be incorporated in the contract and/or purchase order signed by the parties should the bidder be awarded a contract under this Invitation for Bid.
