**YIZKOR BOOKS**

Yizkor (Memorial) Books were created by groups of Holocaust survivors to commemorate the vanished communities where they had lived. Yizkor books usually follow a general format and include photos, maps, and memoirs of families, businesses, and organizations. They also may include a necrology, a list of the Jews of the town who were killed in the Holocaust.

A list of Yizkor Books available in History & Genealogy is on the Library's website at [www.slcl.org/content/yizkor-books-held-history-and-genealogy-department](http://www.slcl.org/content/yizkor-books-held-history-and-genealogy-department)

Yizkor Books are mostly written in Hebrew and Yiddish. English translations of many of them are available at the JewishGenWeb website at [http://www.jewishgen.org/yizkor/database.html](http://www.jewishgen.org/yizkor/database.html)
