This guide provides an overview of resources for Scottish genealogical research available in History & Genealogy. The Library has additional items not listed here, many of which are locale specific. Please consult the online catalog at www.slcl.org or ask for assistance at the History & Genealogy reference desk.

Call numbers or other location information follow each entry. Books with call numbers beginning with “R” may be used in the library only. Ancestry is an online database available on computers at all St. Louis County Library branches.
